

How to expand your business with low costs and a high return.

- **Have you ever wondered if your business could be franchised?**
- **Would you like to know more about the reality of franchising your business?**
- **What would I gain by attending the workshop?**

In this low cost Franchising feasibility workshop we will empower you with the knowledge to help you assess whether you could franchise your business and to understand the financial benefits that franchising can provide.

We provide;

3 part CD as pre course homework

Comprehensive workbook

Structured feasibility exercises

Franchising income strategies and returns

One on one time as well as group work

When: Two half day workshops in March

(we will consult with participants as to the dates that suit best)

Where: Erina

Presenters: Carolyn Dufton and Bob Bunning of **Franchisingplus**

Cost : \$ 1490 inc GST per business (max 2 participants)

Contact franchisingplus on 02 43672526 or

email info@franchisingplus.com.au to register your interest or enquire about other options of franchise feasibility.

Act now as numbers are limited to add value to the workshop
